

Conference 2015

I am so privileged and honoured to be Chairman of Conference 2015 in Manchester. Our Victory Conference in which we have already seen more members applying to attend than ever before, there are to be more fringe events and most importantly more Members only meetings in a closed Hall where members attending will be able to interact from the floor of the hall .

It has been 23 years since we have been able to attend a Victory Conference with a Conservative Majority Government and this is down to all your hard work and the pounding of the streets day by day.

I do hope that as many of you as possible will join with us to celebrate this outstanding achievement of seeing David Cameron elected as the first Conservative Prime Minister with a working majority Government for 23 years.

See you in Manchester

Regards

Steve Bell
