RE-ELECT STEVE BELL

Steve Bell is standing for re election as one of the Vice Presidents of the National Convention and your representative on the Board of the Conservative Party.

So what has Steve done in his first term of office?

- He was the Board Liaison for the Police and Crime Commissioners Elections, which were new and as such there was a steep learning curve for us all! But we took these elections on and delivered.
- He has had Board responsibility for the South West Region, working with the Regional and Area Teams in the South West of England.
- Appointed to the Boards membership committee, which faces the difficult challenge of trying to build our party membership, a challenge which faces us all.

Before being elected to the Party Board Steve was Regional Chairman for the South East of England and previously an Area Chairman. He continues to be an active member of three associations including a branch committee showing he's in touch with the ordinary volunteers and members of the party.

Last Year Steve committed to the following pledges:-

Putting the Party back into Party Conference

Notification of Centralised Funding letters

Voluntary Party Imprint Identification

MERLIN Training

Steve Says “ I must thank the National Convention for electing me to be their Vice President and to serve on the Party Board, It has been an immense privilege and honour.

As with any role there has been a fast learning curve, the first of which was hitting the ground running when we went straight into the Boris Campaign 2012 and what a fantastic achievement this was, only made possible with the support from the Voluntary Party, as always.

From this I took on the National role of liaison for the Police & Crime Commissioners and there is no doubt there are lessons to be learned for next time. I was however so impressed by the engagement of the members and I am hoping that next time the electorate will become more engaged too.

Not only did we have Police & Crime Commissioner elections but we have had many Parliamentary by-elections as well; Bradford West, Manchester Central, Cardiff South & Penarth, Rotherham, Middlesbrough, Croydon North, Corby & Eastleigh. A great deal has been asked of us Volunteers this year and each and every time together we have delivered.

You should all be very proud of your achievements throughout this year, because I am!
